

Are You Starting (or Running) A MLM Company?

©2015

With the costs of the compensation plan, attorney's fees, software, hiring staff, recruiting consultants, creating/designing products, the list goes on... starting a direct selling company can be expensive and difficult! We understand how complex it is to tackle a MLM startup. That's why we offer the Starting and Running the Successful MLM Company Conference.

We offer MLM entrepreneurs a way to network with experts from all sectors of the direct selling industry: legal, recruiting, technology/software,

compensation plans, funding, generate leads, website and back office, business model, and more – all in one place, for one affordable price (\$195 for the first attendee, each additional is \$150).

So, if you're starting a MLM, network marketing, direct selling company, or just thinking about starting a MLM company, come join us at the MLM Startup Event/Seminar in Las Vegas! The Hosts are Business Consultant and MLM Legal Expert, Jeff Babener, and MLM Compensation Plan Consultant, Mike Sheffield.

Our next conference takes place October 22 & 23, 2015 in Las Vegas (who doesn't want a good reason to go to Las Vegas?). We even offer the Innovation Campaign for those who are on an even tighter budget.

Visit our website, www.mlmllegal.com, or our conference page to learn more and to see the full line-up of speakers. Read testimonials and watch our invitation videos. Anyone who is starting or running a MLM, network marketing, direct selling, party plan company is welcome to attend.
