

The Benefits of Having a Criminal Record Expungement in Arizona

By: Jeremy Geigle, Attorney at Law
JacksonWhite, P.C.

Dealing with the consequences of a criminal conviction in Arizona is hard enough—paying fines, serving jail time, completing community service requirements—but the impact on your permanent record can be detrimental for a lifetime. In this competitive work environment, having anything on your criminal record, even if it's a simple misdemeanor, could be the difference between getting the job and staying unemployed.

While there are some charges that cannot be expunged or set aside in Arizona, including crimes involving children or crimes involving a deadly weapon, many of them can.
