SUPREME COURT

Subject Property: 515 E. Fourth Street, Town of Dix Village of Watkins Glen County of Schuyler Tax Map No. 65.14-2-6.11

The Board of Assessment Review for the Town of Dix, the Assessor for the Town of Dix and the Town of Dix, New York, et al. Respondents.

Steven J. Getman, an attorney, duly licensed to practice in the courts of this state, hereby affirms the following under penalty of perjury (CPLR 2106):

- Schuyler County Attorney 1. I am and co-counsel for the I make this affidavit in support of respondents herein. respondents' motion, pursuant to 22 NYCRR 202.59 (c) and CPLR 408 for an order: compelling disclosure of material and necessary information; granting an extension of time to complete an audit of the petitioner's books and records for the tax years under review, for the purpose of substantiating petitioner's statement of income and expenses; tolling the time to complete and exchange the appraisals in this matter; together with such other and further relief as the court may deem just and proper.
- 2. The following is based upon affirmant's personal knowledge, and upon information and belief. As to the source of affirmant's information and the grounds for my belief, same consists of communications with employees for respondents the Town of Dix

and the County of Schuyler, a review of the statutes, case law and other authority cited herein, a review of regularly kept business records of the Town of Dix and County of Schuyler and the following exhibits, annexed hereto, incorporated by reference and made a part hereof:

- Exhibit a) Notice of Petition and Petition, dated July 5, 2016 (true copy);
- Exhibit b) Answer, dated September 16, 2016 (true copy);
- Exhibit c) Statement pursuant to 22 NYCRR 202.59 (true copy);
- Exhibit d) Request for audit, dated May 9, 2017 (true copy);
- Exhibit e) Scheduling Order (true copy);
- Exhibit f) Email dated June 29, 2017 (true copy);
- Exhibit g) Petitioner's proposed confidentiality agreement (true copy);
- Exhibit h) Email dated July 20, 2017 (true copy);
- Exhibit i) Respondents' proposed confidentiality agreement(true copy);
- Exhibit j) Letter dated July 28, 2017 (true copy);
- Exhibit k) Affidavit of Brian LaFountain with attachments
- Exhibit 1) Affidavit of Jeffrey James with attachments.
- The above captioned matter was commenced by the filing on July 26, 2016 and service of a Notice of Petition and Petition. Respondents served and filed an Answer on or about September 16, 2016.
- 4. Petitioner timely served a 22 NYCRR 202.59(b) statement of income and expenses on or about March 16, 2017.
- 5. Respondents timely served their demand for audit, pursuant to 22 NYCRR 202.59 (c) on or about May 9, 2017. Such audit seeks an audit of the petitioner's books and records for the tax years under review for the purpose of substantiating petitioner's statement of income and expenses.
- 6. Pursuant to 22 NYCRR 202.59 (c), such audit must be completed within 120 days after the request has been made unless the court, upon good cause shown, extends the time for the audit. Therefore, absent court order, the respondents are currently required to have this audit completed no later than Wednesday, September 6, 2017.

- 7. The current scheduling order provides that the exchange date for appraisals shall be no later than November 1, 2017.
- 8. The Town of Dix, on behalf of all respondents herein, has retained the Bonadio Group ("Bonadio"), having offices at 171 Sully's Trail, Pittsford, NY 14534 to complete the audit described above.
- 9. Upon information and belief, in order to complete this audit, Bonadio will require petitioner's books and records necessary to verify the petitioner's profit and loss statement previously served herein, including but not limited to, invoices, contracts, leases balance sheets, asset depreciation schedules and similarly regularly kept business records of petitioner herein, together with a contact person or persons on behalf of petitioner with whom Bonadio can communicate for the purposes of obtaining such necessary information. Upon further information and belief, these materials and information are necessary for completion of the audit in accordance with generally accepted accounting principles and generally accepted auditing standards.
- 10. The Town of Dix, on behalf of all respondents herein, has retained Jeffrey S. James, a New York State certified real estate appraiser (New York General Certified – Certificate # 46000043019), employed with Midland Appraisal Associates, Inc. Real Estate Counseling & Appraisal Services ("Midland"), having offices at 349 W. Commercial St., Suite 2290, East Rochester, NY 14445 to complete any/all necessary appraisal reports intended to be used at the trial, pursuant to 22 NYCRR 202.59 and related authority.
- 11. Upon information and belief, Midland requires Bonadio to complete and share the results of its audit with Midland, in order to prepare those appraisal reports to be exchanged and/or filed pursuant to 22 NYCRR 202.59 (g).
- 12. As of today's date, neither affirmant, co-counsel, Bonadio nor Midland have received the materials necessary to complete the above-described audit, beyond the initial profit and loss statement.
- 13. Upon information and belief, the petitioner is conditioning disclosure of these necessary materials upon the execution of a "confidentiality agreement," under which the materials would be

shown and seen only by the co-counsel for the respondents, and by the Town of Dix Appraiser and, further, that such information, including gross sales figures, may not be made a part of, or in any way be referenced in, any appraisal report, or in or at the trial of this matter.

- 14. Upon information and belief, the level of confidentiality demanded by petitioner effectively renders such information and materials useless for the purposes of pretrial discovery, appraisal and/or auditing in this matter.
- 15. Respondents have submitted a proposed counter-agreement that attempts to balance the desire of petitioner for its information to remain confidential, with the needs of the respondents to share such information with their appraisers and auditors and to refer to same as necessary in the trial-ready appraisal reports. A true copy of this counter-agreement ("stipulation of confidentiality") is annexed hereto, as noted above. As noted therein, respondents do not object to protections of confidential information that would prevent public access to confidential data, such as filing documents under seal and/or as "trade secrets."
- 16. As of today's date, petitioner has not supplied the necessary information, executed the respondents' proposed confidentiality or responded to such proposal in any way. As a result, petitioner is currently preventing respondents from completing the audit.
- 17. Upon information and belief, it will take at least four (4) weeks after receipt of all necessary information from petitioner for Bonadio to complete its audit, depending on the information received and the timing of same. Upon further information and belief, as noted above, a completed audit is necessary for a proper trial-ready appraisal.
- 18. As noted above, the deadline for completing the audit is currently September 6, 2017. That date is less than one month away. Therefore, due to the petitioner's failure to supply the books and records necessary to verify its profit and loss statement previously served herein, the respondents' are unable to complete the audit within the current deadline.
- 19. Upon information and belief:

- a) Discovery in RPTL Article 7 proceedings is governed by CPLR 408, pursuant to which trial courts have broad discretion in directing the disclosure of material and necessary information (Wendy's Restaurants, LLC v Assessor, Town of Henrietta, 74 AD3d 1916 [2010], see, also Greens at Washingtonville, Ltd. v Town of Blooming Grove, 98 AD3d 1118 [2012]). This includes profit and loss statements, balance sheets. asset depreciation schedules, and gross and net sales revenues for pertinent years as such materials will assist respondents in their preparation for trial (Wendy's, supra).
- b) Insofar as the subject property contains a freestanding department store building, the court may include in its income approach a percentage of gross sales (White Plains Properties Corp. v. Tax Assessor of City of White Plains, 50 N.Y.2d 839 [1980]).
- c) While petitioner may maintain that comparable sales are the proper measure of value in this matter, "without a detailed understanding of the income and expenses of the proposed comparable sales, there is no factual basis for concluding that the sales are in fact comparable to the subject property" (*Fifty-Sixty Saginaw Realty*, *LLC v Assessor of Town of Henrietta*, 19 Misc 3d 1143(A) [2007], aff'd, 52 AD3d 1275 [2008]).
- d) Furthermore, petitioner's 22 NYCRR 202.59(b) statement sets forth that a portion of the petitioner's revenue is derived from rental income. One of the necessary factors to review in the audit, and resulting appraisal, would be whether such rent is charged at fair market If rent unrealistically value. islow (5)Op.Counsel SBEA No. 62) or charged "without regard to the marketplace" (John P. Burke Apartments, Inc. v Howe, 98 AD2d 595 [1984], such rental rates may be disregarded (Techniplex III v Town and Vil. of E. Rochester, 125 AD3d 1412 [2015]). Similarly, where a landlord and tenant are business affiliates or a property is owner-operated or where there is any indication of collusion, a rent arrangement should be of

little, if any, guidance to sound appraisal for taxation purposes. Merrick Holding Corp. v Bd. of Assessors of Nassau County, 45 NY2d 538 [1978].

- e) Upon information and belief: Petitioner herein is a Real Estate Business Trust. The purpose of such real estate trust is that a separate Wal-Mart subsidiary pays rent to the Real Estate Business Trust, which is primarily owned by another Wal-Mart subsidiary, allowing such rental income to stay within the company (Jennifer Stonecipher, From One Pocket to the Other: The Abuse of Real Estate Investment Trusts Deductions, 72 Mo. L. Rev. [2007]; Jesse Drucker, "Wal-Mart Cuts Taxes by Paying Rent to Itself," Wall Street Journal, Feb. 1, 2007). As such, a full audit is necessary to determine whether the rental income is fair market value or should be disregarded as the result collusion or self-dealing (Techniplex III, supra). Further. given the apparent self-dealing at issue, the question of gross sales data becomes all the more relevant to value herein.
- 20. Respondents' auditor and appraiser have each provided affidavits setting forth that the documents and records sought are relevant, material and/or necessary to this action.
- 21. For the reasons above, respondents are proceeding herein by Order to Show Cause, and request that the court toll the deadline for completing the audit and, as necessary, exchanging appraisals until the final decision on this motion.
- 22. It is respectfully submitted that the relief herein is justified and proper. The facts stated above, given the circumstances and the imminent deadline to complete the required audit, demonstrate that counsel for respondents adequately conferred with adversary in good faith to resolve the issues herein (N.Y.Ct.Rules, § 202.7).
- 23. The above is true to the best of my knowledge, information and belief.

Wherefore, your affirmant requests this court issue an order in accordance with the above.

IN THE MATTER OF THE APPLICATION FOR REVIEW UNDER ARTICLE 7 OF THE REAL PROPERTY TAX LAW OF A TAX ASSESSMENT BY WAL-MART REAL ESTATE BUSINESS TRUST

-vs.-

THE BOARD OF ASSESSMENT REVIEW FOR THE TOWN OF DIX; THE ASSESSOR OF THE TOWN OF DIX and THE TOWN OF DIX, NEW YORK

Respondents,

Petitioner,

For Review of the Assessment of Certain Real Property known as 515 E. Fourth Street in the said Town of Dix for the Tax Year 2016-17.

The petition of WAL-MART REAL ESTATE BUSINESS TRUST respectfully shows:

PETITION CHUYLER COUNTY CLERK

ECEIVED

FIRST: That petitioner, Wal-Mart Real Estate Business Trust, now is, and at all times hereinafter mentioned was, the owner of certain real property located at and known as 515 E Fourth Street (SBL #65.14-2-6.11), Town of Dix, New York.

SECOND: That the above named respondent Assessor and respondent Board of Assessment Review are and at all times hereinafter mentioned were, the officers of the Town of Dix, New York, charged by law with making the assessments herein complained of.

THIRD: That prior to March 1, 2016 respondents proceeded to take up and consider the taxable property and names of all the persons taxable with respect thereto, and to assess all real property in said Town not exempt from taxation; and made, prepared and completed the assessment rolls of the said Town of Dix for the 2016-17 Town of Dix Tax Year, deposited them in the Town of Dix Assessor's Office in Town Hall, and caused a notice to be published in the official newspaper of said Town, and to be otherwise posted, which notice

contained the statement that the said rolls might be seen and examined by any person from and including the 1st day of May, 2016 to and including the 24th day of May, 2016.

FOURTH: That the assessment on said assessment rolls of the subject real property, situated in the said Town of Dix, New York as the same appeared thereon after the completion thereof on May 1, 2016 was as follows:

> Value of Land \$ Total \$11,700,000

FIFTH: That thereafter, and in accordance with law, petitioner prepared its written protest, under oath and filed the same with the said respondents, complaining that the said assessment was incorrect and protesting against the same, and asking for a reduction of such assessment against said real property. The said protest was received by and filed with, said respondents within the period appointed for the making of complaints. Such protest is hereby incorporated in this petition by reference thereto with the same force and effect as though set forth at length, a copy thereof being attached hereto as Exhibit A.

SIXTH: That thereafter and on or about the 1st day of July, 2016, respondents caused a notice to be published in the official newspaper of the Town of Dix and to be otherwise posted, that said assessment rolls had been finally completed and that the rolls had been filed and were open to public inspection and might be inspected at any time on or after the 1st day of July, 2016.

SEVENTH: That the final assessment of your petitioner's real property made by respondents, as the same appears on the finally completed assessment rolls of the Town of Dix is as follows:

> Value of Land Total

\$11,700,000

\$ 1,400,000 %

EIGHTH:

That the valuation and assessment of said real property, made as aforesaid, is erroneous by reason of over-valuation. The assessment of real property in the Town of Dix is at a rate not exceeding seventy-five and 00/100 percent (75%) of true value. While the said real property is assessed as aforesaid at a sum of \$11,700,000 the real property is actually of a true, full value which does not exceed the sum of \$7,500,000 and the assessed value should be \$5,625,000. The extent of such assessed over-valuation is \$6,075,000.

NINTH: That the said assessment of said property is unequal with other property in the Town of Dix in that the assessment has been made at a higher proportionate valuation than the assessments of other property on the said assessment rolls, as alleged in paragraph EIGHTH above; and the assessment of such real property generally on the same assessment rolls is at a rate not exceeding seventy-five and 00/100 percent (75%) of true value. Such inequality exists not only in specific instances, but generally throughout the assessment rolls of said Town of Dix and petitioner specifies, as instances of such inequality, all the other real properties assessed upon the same assessment rolls.

V

4

TENTH: That the said assessment of your petitioner's property is illegal in that petitioner's real property is not assessed on one common and general principle of valuation applied by the respondents in assessing generally the real property appearing upon the same assessment rolls.

ELEVENTH: That by reason of the foregoing, the petitioner is aggrieved and will be injured thereby and suffer loss and will be required to pay taxes in a greater amount than if said assessment had been lawfully, correctly and properly made.

TWELFTH: That thirty (30) days have not elapsed since the final completion and filing of the said assessment rolls referred to above.

THIRTEENTH: That no previous or other application has been made to this or any other court for the relief herein sought.

WHEREFORE, your petitioner prays that this Court review all the proceedings, decisions and actions had and taken herein by the said respondents; that the errors made by the respondents as aforesaid be reviewed and corrected on the merits; that a reassessment of said real property of the petitioner and the correction and reduction of said assessment be made; and that this Court grant to the petitioner such other and further relief as may be just and proper, together with the costs and disbursements of this proceeding.

TAX ASSESSMENT COMPLAINT

TO: THE HONORABLE BOARD OF ASSESSORS OF THE TOWN OF DIX, NEW YORK

The complaint of WAL-MART REAL ESTATE BUSINESS TRUST, hereinafter sometimes referred to as the complainant, respectfully shows:

1. The complainant, Wal-Mart Real Estate Business Trust, is the owner of real property and improvements located at and known as 515 E Fourth Street (SBL #65.14-2-6.11), Dix, New York.

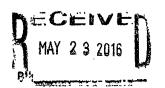

2. The proposed assessment of said property for the 2016-17 Town of Dix Tax Year is as follows:

Land \$ Total \$ 11,700,000

3. The complainant objects to and protests against the aforesaid proposed assessment and respectfully submits that the property is assessed for more than it is worth; that the assessable value of the property as of March 1, 2016 did not exceed \$7,500,000.

4. The complainant submits that the assessment roll is illegal, incorrect and erroneous because it has not been prepared in accordance with the laws and statutes, if any, made and provided for such cases.

5. The complainant submits that the said assessment roll is illegal, incorrect and erroneous because a large amount of property which should be assessed thereon is entirely omitted therefrom, but the aforesaid premises of the complainant is included therein.

6. The complainant submits that the said assessment roll is illegal, incorrect and erroneous because the valuation placed on said property is excessive and greater than the true value of the same.

7. The complainant submits that the aforesaid assessment roll is illegal, incorrect and erroneous in that it has been made at a higher proportionate percentage of true value than the assessment generally made on other properties on the same roll made by the same officers. The complainant will submit specific instances of such inequality with other property upon the same roll, including adjoining and comparable properties. The complainant submits that the assessment on its said property is unequal with the basis of assessments and the actual assessments on adjoining and other comparable properties. The complainant further submits that the assessment on its said property has been fixed in a prejudicial and unequal manner in comparison with assessments on other types of property in the Town of Dix and State of New York, such as residential and other commercial properties, all other assessments on the roll being unequal with the assessments against the complainant's said property.

8. The full, fair and true market value of the complainant's property assessed as real property on May 1, 2016, did not exceed \$7,500,000. The assessment on the complainant's said property should be equalized to the assessment of other property upon the roll and as so equalized, assessed at not more than \$5,625,000. Said property has been overassessed, by reason of inequality, the sum of \$6,075,000.

9. The undersigned represents that he is the Agent of the complainant, and as such Agent does hereby respectfully request that the assessed value of the premises for

the year 2016-17 be fixed at \$5,625,000.

2. Petitioners may in good faith designate as "Confidential" those portions of Litigation Materials being produced or disclosed that contain proprietary or confidential information not to be used for purposes other than this lawsuit. It is the intention of petitioners to designate as "Confidential" the aforesaid gross sales figures ("Litigation Materials").

3. Petitioners may designate such documents or such tangible Litigation Materials as "Confidential" by stamping or writing the word "Confidential" on the document or other such Litigation Materials at or before production or disclosure.

4. Litigation Materials designated as "Confidential" in accordance with the procedures outlined above and all copies thereof shall be maintained in confidence by the person to whom such materials are produced or disclosed shall not be disclosed to any person except:

Respondents and their counsel shall designate such Litigation Materials "trade secrets" and/or otherwise exempt from disclosure under the provisions of Article 6 of the Public Officers Law of the State of New York ("Freedom of Information Law" or "FOIL").

6. The counsel of record who has retained the expert shall retain the Certification until the conclusion of the litigation. At any time, counsel for petitioners may request copies of any or all such Certifications. Any such request for copies of Certifications shall be complied with promptly by respondents' counsel of record.

11. By this Stipulation, the parties do not waive any right to object to any discovery or disclosure request or to seek any protective order on any grounds.

12. Either party may, if so advised, ask the Court to "so order" this Stipulation.

State of New York, County of Ontario }SS.:

Brian S. Lafountain, being duly sworn, deposes and says that:

- 1. I am Brian S. Lafountain CPA, CFE, a Partner of the Bonadio Group ("Bonadio"), having offices at 171 Sully's Trail, Pittsford, NY 14534. I make this affidavit in support of respondents' motion, pursuant to 22 NYCRR 202.59 (c) and CPLR 408 for an order granting an extension of time to complete an audit of the petitioners' books and records for the tax years under review, for the purpose of substantiating petitioners' statement of income and expenses and compelling disclosure of material and necessary information, together with such other and further relief as the court may deem just and proper.
- 2. Bonadio has been retained by respondent Town of Dix, on behalf of all respondents herein, to complete the audit described above.
- 3. In order to complete this audit, Bonadio will require petitioner's books and records necessary to verify the petitioner's profit and loss statement previously served herein, including but not limited to, invoices, contracts, leases balance sheets, asset depreciation schedules and similarly regularly kept business records of petitioners herein, together with a contact person or persons on behalf of petitioners with whom Bonadio can communicate for the purposes of obtaining such necessary information. In my professional opinion, based upon my education, training and experience, these materials and information

EXHIBIT

are absolutely necessary to completion of the audit in accordance with generally accepted accounting principles and generally accepted auditing standards.

- 4. As of the date of this affidavit, Bonadio has not yet received any of the necessary materials, beyond the initial profit and loss statement. Upon information and belief, the source of same being the draft "confidentiality agreement" proffered by the petitioners (copy attached), the petitioners have not yet supplied these materials, having insisted on them remaining confidential to the extent that they will be shown and seen only by the co-counsel for the Respondents, Steven J. Getman, Esq. and Robert L. Halpin, Esq., and by the Town of Dix Appraiser and, further, that such information, including gross sales figures, may not be made a part of, or in any way be referenced in, any appraisal report, or in or at the trial of this matter.
- 5. It is my professional opinion and belief, based upon my education, training and experience, that the level of confidentiality demanded by petitioners effectively renders such information and materials useless for the purposes of pretrial discovery, appraisal and/or auditing in this matter.
- 6. Without having seen such materials, it is difficult to determine how long it will take to complete the audit of an entity such as the petitioners'. However, I estimate conservatively that it would take approximately four (4) weeks, depending on the information received and the timing of same.
- 7. The above is true to the best of my knowledge, information and belief.

Wherefore, your deponent requests this court issue (an) order in accordance with the above.

State of New York, County of Monroe }SS.:

Jeffrey S. James, being duly sworn, deposes and says that:

- 1. I am Jeffrey S. James, a New York State certified real estate appraiser (New York General Certified - Certificate # 46000043019), employed with MIDLAND APPRAISAL ASSOCIATES, INC. REAL ESTATE COUNSELING & APPRAISAL SERVICES ("Midland"), having offices at 349 W. Commercial St., Suite 2290, East Rochester, NY 14445. I make this affidavit in support of respondents' motion, pursuant to 22 NYCRR 202.59 (c) and CPLR 408, for an order granting an extension of time to complete an audit of the petitioners' books and records for the tax years under review, for the purpose of substantiating petitioners' statement of income and expenses and compelling disclosure of material and necessary information, together with such other and further relief as the court may deem just and proper.
- 2. Midland has been retained by respondent Town of Dix, on behalf of all respondents herein, to complete any/all necessary appraisal reports intended to be used at the trial, pursuant to 22 NYCRR 202.59 and related authority. Upon information and belief, the source of same being communications with counsel for respondents, the Bonadio Group ("Bonadio") has been retained by respondent Town of Dix, on behalf of all respondents herein, to complete an audit of the petitioners' books and records for the tax years under review, for the purpose of substantiating petitioners' statement of income and

expenses, pursuant to 22 NYCRR 202.59 (c). It is anticipated by Midland that the results of such audit would necessarily affect the final appraisal report prepared by this office, as the subject property herein is a commercial property.

- 3. Upon information and belief, the source of same being communications with counsel for respondents and a review of correspondence from counsel for petitioners, including a draft confidentiality agreement proffered by counsel for the petitioners (copies attached):
 - a. Petitioners are conditioning disclosure of materials necessary for Bonadio to complete its audit ("base materials") upon execution of the aforementioned confidentiality agreement.
 - b. The proposed agreement demands these base materials remain confidential to the extent that they will be shown and seen only by the co-counsel for the Respondents, Steven J. Getman, Esq. and Robert L. Halpin, Esq., and by the Town of Dix Appraiser and, further, that such information, including gross sales figures, may not be made a part of, or in any way be referenced in, any appraisal report, or in or at the trial of this matter.
- 4. It is my professional opinion and belief, based upon my education, training and experience, that the level of confidentiality demanded by petitioners effectively renders the audit information and base materials useless for the purposes of pretrial discovery and for the completion of Midland's professional appraisal. If Midland cannot refer to the audit or the base materials in its appraisal, our appraisal report would be ultimately useless as it will be required to omit material and necessary information, as described above.
- 5. I would suggest, instead, that a proper course of action would be to file any/all such materials under seal. Midland will, of course, abide by all orders or stipulations of confidentiality and prevent disclosure to the public.
- 6. The above is true to the best of my knowledge, information and belief.

Wherefore, your deponent requests this court issue an order in accordance with the above.
