An act to add Chapter 5.2 (commencing with Section 19990.101) to Division 8 of the Business and Professions Code, relating to gambling.

LEGISLATIVE COUNSEL'S DIGEST

SB 278, as introduced, Hall. Gambling: Internet poker.

Existing law, the Gambling Control Act, provides for the licensure and regulation of various legalized gambling activities and establishments by the California Gambling Control Commission and the investigation and enforcement of those activities and establishments by the Department of Justice.

This bill would authorize the operation of an Internet poker Web site within the borders of the state. The bill would require the commission, in consultation with the department, to promulgate regulations for intrastate Internet poker. The bill would require those regulations to include, but not be limited to, a licensing process for an individual or entity to become an operator of an Internet poker Web site and rules for the operation of an Internet poker Web site.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares both of the
- 2 following:

2 of banking instruments, including credit cards, checks, and fund
3 transfers, for interstate Internet gambling.

4 (b) UIGEA essentially prohibits online gambling by United
5 States citizens, but includes exceptions that permit individual states
6 to create a regulatory framework to enable intrastate Internet
7 gambling, if the bets or wagers are made exclusively within a
8 single state under certain circumstances.
