

[A Weekend Trip to Las Vegas this Month: Finally Launch Your MLM Company \(and have a little fun too\)](#)

©2015

Have you finally decided to launch the network marketing business of your dreams? Or, have you decided that it's time to take another look at your current MLM company to see how you can improve, grow and expand your business?

Babener & Associates/<http://www.mlmllegal.com> /, with over 30 years in the legal business, offers an excellent and affordable resource for those who are starting or running a direct selling

company: The [Starting and Running the Successful MLM Company Conference](#). This seminar offers MLM startup entrepreneurs a place to meet a plethora of network marketing industry experts — all in one place — who will help educate you in the corporate areas that are important to you, such as software, legal, technology, recruiting, raising capital, or designing your compensation plan. Visit our [speaker page](#) to learn more about the speakers and the topics that they will be covering.

Attendees will also be in the same room with around 100s of other established and entrepreneurial MLM companies who help to provide encouragement, advice and support.

All attendees are educated about the network marketing industry, how to grow their companies, to are able to meet experts in the industry who will help to coach them on the MLM industry.

Our next conference takes place October 22 and 23, 2015 in Las Vegas (Do you need a better excuse to plan a trip to Las Vegas?). At the conference, you will learn how to structure your compensation plan, build a legal MLM company, recruit key consultants, write a business model, generate leads, gather funding, build your website, develop your back-office software, and so much more. Visit our [information page](#) on our sister website to learn about all of the

topics that are covered at the seminar, read testimonials, watch invitational videos, and view the [Starting and Running the Successful MLM Company manual](#) that each attendee receives.

In addition, attendees get the opportunity to chat one-on-one with industry experts representing their specific field (i.e. legal, software, technology, recruiting, etc.). You choose who you'd like to spend your valuable one-on-one time with and they will answer the questions you have that are specific to you, your company, and your situation.

Our conference is not a vendor or selling event. It's an educational event. Our conference offers you the chance to speak with all of the industry experts from around the country at one time and walk away with a wealth of information. We operate the conference in a classroom-like setting, encouraging questions and participation. The price of attendance is \$195 for the first person, and each additional is \$150. Registrations must be made by phone by calling: 800-231-2162 or 503-226-6600.
